## THE TUTOR ROLE

As a Tutor you will form part of a really close knit team dedicated to bringing children's learning to life and helping us to create confident and fearless learners.

Everyone remembers the person who inspired them, a teacher, a friend, a family member, someone who changed how

they saw things, solved a problem, and recognised their potential...

As a Tutor, you will unlock those light bulb moments every single day and inspire children to become learners for life.

## OUR CHARITY PARTNERS

It's really important to us that we make a meaningful impact, not only for our members and staff, but also in the wider community. As such we love to lend our support to wonderful causes that echo our values and are close to our hearts.

At present we partner with the Roald Dahl's Marvellous Children's Charity and CHAS which we picked through a staff vote. We get stuck into doing all sorts of things to help fundraise and provide hands on support to these brilliant causes.

“ The hard work we put in as tutors never goes unnoticed. I love encouraging the children to realise and reach their potential, and Explore have provided me with the best training and resources to help them do so. ”
