# Instructions

## Questions and answers

There are different types of question for you to answer in different ways. The space for your answer shows you what type of answer is needed. Write your answer in the space provided.

## Multiple-choice answers

For some questions, you do not need to do any writing. Read the instructions carefully so that you know how to answer each question.

## Short answers

Some questions are followed by a line or a box. This shows that you need to write a word, a few words or a sentence.

## Marks

The number under each line at the side of the page tells you the maximum number of marks for each question.

You should work through the booklet until you are asked to stop. Work as quickly and as carefully as you can. If you finish before the end, go back and check your work.

**You have 45 minutes to answer the questions in this booklet.**
