

Referral programme terms and conditions

1. You can refer a friend to any of our nationwide centres.
2. You will save £50 per family who joins Explore Learning based upon your referral.
3. Your saving of £50 will be deducted from your next full month's direct debit if the referred family successfully joins Explore Learning before the 26th of the month. e.g. if the referred member joined on 20th January, the deduction would be applied on 1st February.
4. We will ask the parents of each new member how they heard about us. We will apply the referral discount to the family they nominate. We will only apply one referral discount for each new family.
5. The name of the referrer must be notified to Explore Learning upon enrolment of the new member.
6. You can refer as many friends as you like! If the referral discount is more than the total cost of your monthly membership, the remaining amount will be deducted from the following month's payment e.g. if you refer three families who all join in the same month, you will be eligible for £150 off; £129 applied to month one, £21 discount applied to month two.
