DEAR AGONY AUNT.

I am 11 years old and I enjoy my new school but I am finding the teachers are giving me loads of homework! When I get home from school I want to relax but in the back of my mind I am worrying about all of the work I have to do. I end up working late the day before it's due in and it's making me tired in class. Help!

DEAR AGONY AUNT.

Every other weekend, my family and I go to my grandma's house for lunch. I love seeing her but there is one problem... She is a terrible cook! Sometimes the food is totally inedible but mum says I would be rude if I didn't eat it. How can I tell grandma I don't like her food without hurting her feelings?
