

### PHONICS CHALLENGE

ISCOVER MORE FESTIVAL

explorelearning.co.uk

Laura the Explorer is going on an African safari adventure, but she is going to need your help along the way. She will be working with sounds on her adventure.

A phoneme is the smallest unit of sound. Each letter of the alphabet has an individual sound.

Can you complete the challenges below to help Laura the Explorer on her adventure?

#### **CHALLENGE ONE**

Before you set off on your adventure, Laura the Explorer has suggested that you do some exploring in your own home. Look in your house or in your garden and find things beginning with the same letter sound. Laura the Explorer has started a list using the letter 't'. Add your own ideas to this list. Which other letters will you choose?

# PHONICS CHALLENGE

#### **CHALLENGE TWO**

The names of some of the safari animals have lost their letters.

Can you complete the gaps in the words below with the missing letters?

\_\_\_phan\_

\_iger

pand\_

\_izar\_

\_iraffe

mon\_ey

## PHONICS CHALLENGE

### **CHALLENGE THREE**

<u>Key</u>

Laura the Explorer has come across a little bridge on her adventure. In order to cross the bridge she must sort real words from nonsense words. Read the words in the table below and colour the real words in green and the nonsense words in blue.

Real Words: Nonsense Words:				
tint	lunch	shump	toast	
chab	zang	spoon	mout	
flix	camp	voot	train	
short	joad	crisp	floap	

Award-winning maths and English tuition for fearless learners
